

**Mr Aman Rajabali**

Dear Fellow Members,

I would be honoured to have your support and seek your vote for my candidature to serve the NHRDN National Executive Board.

I have been associated with the National HRD Network since 1993 and have been actively involved with the Pune Chapter for over 17 years, holding key positions such as General Secretary and Vice President. I have been an active member of the team that planned and implemented programs to improve visibility and profitability of the chapter. Currently I am the General Secretary since 2014.

During my tenure in the Pune chapter I contributed towards putting us on the national map of the NHRDN and today, it is considered to be amongst the top 5 promising chapters across India. As a result of my efforts, we saw a multi-fold increase in memberships, and revenues have been multiplied by more than 100 times since I joined the chapter in 2000. We have conducted conferences, seminars, workshops and many CSR activities to encourage participants and bring awareness of the importance of HR. I spearheaded & designed Industry Academia Initiatives to expose the student community to the industry standards, helping them become adjusted to the corporate, thereby bridging the awkward gap they would face as freshers.

I am extremely passionate about NHRDN and a strong believer that this movement has transformed and established HR as a significant strategic function in the business world. I would like to take this platform to greater heights that would establish us firmly towards the journey of making India an economic super power. My experience of more than 24 years in the HR field and as an office bearer of NHRDN will enable me to help create a pool of leadership talent that would provide a strong expertise and support to build a powerful economy.

My commitment to this cause can be strengthened by your support and so I urge you to stand by me and help me serve NHRDN better, on the journey to the pinnacle of success.

Thank you for your consideration.

Warm Regards,

Aman Rajabali,  
General Secretary, NHRDN, Pune Chapter
