

Mr B Ashok Reddy

Dear Members,

It is my privilege to write to you to seek your support for my candidature to serve the NHRDN National Executive Board.

I have been an active member of the NHRDN since 1990's. I have been associated with NHRD as National treasurer for 10 years and did lot of contribution in acquiring land from Government of AP for construction of national HQ in Hyderabad.

I was also an active organizing committee member for successful conferences in Hyderabad.

I am a strong believer that the NHRDN movement has transformed and established HR as significant strategic function in business World.

As we partake in our journey to build India as an economic super power, I am convinced that NHRDN will provide the platform and thought leadership in this direction. Next decade is very significant for all of us in HR in India, to create a pool of talent that is world beating and that will provide sustainable leadership in this journey.

All of us have this great opportunity and onus to make this happen, by contributing to NHRDN platform I am committed to contribute to this cause and make this happen...

I seek your support to provide me the opportunity to serve NHRDN in this journey, and look forward to working with you.

Warm Regards,

B. Ashok Reddy
