Dr. Tamotia Honorary Dean cum Director General BCCM & Vice Chairman Bharatiya Vidya Bhavan, Bhubaneswar is known for his indomitable leadership, courage foresight and his successful strategies that have brought about a positive change in not just the companies he headed both PSU & Private but also ushered in great optimism in the Industrial sector of Orissa as a whole. He has been pioneer in giving Orissa its Industrial platform and making it a National pride not only for the Aluminium Sector but the Industry as a whole. **In 1998 Chief Minister of Odisha appreciated his contribution to the Industrial Growth of Odisha.** He played a leading role in the commissioning of the Kudremukh project within time and budget - a rare combination of success in public sector enterprises during Eighties.

Recognized among the country's top project managers. Dr. Tamotia has worked with several government/ public sector companies. He has made significant contribution to the NALCO, as Director (Project & Technology), Director (Finance), Director (Production) and finally as CMD. Under his able leadership, **NALCO improved on productivity, quality, R&D, project management and more importantly, doubled the profits every year. This was possible with his innovative approach and blending the culture of private & govt. organization. He succeeded in his endeavour by doing things differently and innovatively. His leadership in leading NALCO was also appreciated by Prime Minister of India.***Dr. Tamotia a corporate leader par excellence repeated this performance in INDAL with the highest ever top line and bottom line growth and more than tripled the profits during his tenure.*

Over the years, Dr. Tamotia has received numerous national level awards for professional and business excellence including **National Metallurgist Merit Award and HZL Gold Medal for life time achievement from Govt. of India.** Dr. Tamotia is popular, meritorious, wise, just and supporter of his employees. He is honest, duty conscious, without envy and capable. He is rich in knowledge, upholder of the rights & self-controlled. He is trustful, grateful, impartial and devoted to the welfare of the people.

I seek your support to provide me the opportunity to serve NHRDN in this journey, and look forward to working with you.
