NHRDN Election for the post of MEMBER in the National Executive Board

Dear NHRDN Members,

I seek your kind support for the post of Member in the National Executive Board of NHRDN for the term 2017-2019.

I am serving as Director (HR & Legal) with IFFCO, the world's largest Manufacturer and Marketer of fertilizers in the Cooperative Sector, which will be completing its 50 successful years in November 2017.

Considering the disruptive landscape of business environment and great potential of our nation where both challenges and opportunities galore, HR issues matter the most for sustenance and in this direction NHRDN is playing a pivotal role in evolving, leading and consolidating the HR fraternity not only in India but globally.

My stint in HR and Legal profession is more than 3 decades long and I have been associated with NHRDN since its formation. Honestly speaking, I have been only occasionally active in NHRDN – as member of Organizing Committee for Annual National Conference in Delhi/NCR and another when my services were sought in the Ad-hoc Committee constituted in 2016 for conduct of elections for Delhi/NCR Chapter. Rest of the time I have been more involved with NIPM where I had the privilege to serve as Chairman of Delhi/NCR Chapter for two terms during 2010-2014 and in this period our team had successfully hosted the NIPM Annual National Conference. However, in both the situations I have rendered my selfless services to the profession.

Given an opportunity I can assure that my approach would always be positive and sincere.

With warm regards,

(R.P. Singh)
